INFO YOU MIGHT WANT TO KNOW

1) Classes at School

Soccer Shots will be held on site and our coaches will arrive before the bell rings in order to stop by and remind the children to meet us at the designated meeting place. Kindergarten children will be picked up from their classrooms and all kids will be accounted for before the class begins. Parents are NOT required to be there before the class begins, if your child is in an afterschool program we will return them to there (Primetime) otherwise, parents need to be there by the scheduled end time for pick up.

o Children should wear comfortable clothes and shoes (closed toe). Cleats and shin guards are unnecessary.

o Children are encouraged to wear their Soccer Shots Jersey to school on days they have class.

o Come watch if you like & don't forget your park blanket to sit on and a camera! (#soccershotssd #soccershots)

2) Soccer Shots CLASSIC Program (Age 3-6): Develop

The CLASSIC Program Is a Fun, Age-Appropriate, and Non-Competitive program that teaches basic soccer skills while implementing character development lessons into the sessions. The kids play fun, Imaginative games that promote gross motor skills, confidence, and teamwork. Great for first timers!

3) Soccer Shots PREMIER Program (Ages 6-10): Excel

Soccer Shots PREMIER is still the fun atmosphere of Soccer Shots MINI and CLASSIC, but focuses on League Preparation, Skills Development and there is more game play and Scrimmaging. This is the perfect setting for kids that already play in leagues to get better by getting many more touches on the ball and taking their skills to the next level. Character development lessons are also a big part of what we implement as we teach the kids about how to be respectful, show good sportsmanship, and to be honest
